INVITATION

Dear Soroptimist Sisters from Danube Countries,
Dear Sisters of SI Danube,

The second strategic conference of SI Danube is coming up! Titled “Cooperation of Soroptimists by networking to foster solidarity between women along the Danube” it will take place in Brasov, Romania, April 23rd – 25th, 2020 (extended 26th of April). The international meeting is hosted by sisters of SI Club Brasov and SI Club Ulm-Donaustadt, Germany.

The programme contains inspiring lectures. ANCURA VAMESU will inform about the social life and wellbeing in the Danube Region of Romania. She is a valued civil society developer in Romania, public policy worker, trainer and researcher who has worked for the European Commission Delegation in Romania and other high level European organisations. With European business-experience MARCELA COSNEAN will speak about Entrepreneurship of women in Romania. LAURA CHITU, the President of the SI Union of Romania, a distinguished mathematics high school teacher and MADLEN SERBAN, Advocacy Coordinator of the SI Union of Romania and associated professor of the University of Bucharest will held a lecture on empowerment of girls and women. We will evaluate the results of our first common project “DANUBIUS” in a jury, undertake an excursion to a local “Danubius”- group in Harman and establish a follower-project under the current SIE Appeal. Also, ORANGE DAY-activities in the clubs will be a topic. And of course, there is time and space for interesting sightseeing-tours and get-togethers. Attached, you can find the draft agenda of the conference and the registration-form.

SI Danube is a non-formal network of SI Clubs along the Danube under the umbrella of Soroptimist International. It was founded in July 2018 in Ulm, Germany, when clubs of Danube countries signed a common resolution. They proclaimed an effective network on Soroptimist concerns in Danube countries - for the benefit of women, for a common and solidary Europe and for their own mutual benefit as sisters who get to know each other personally. Expenses for the conference are kept reasonable, supported by SI Club Brasov, the SI Union Romania and SI Club Ulm-Donaustadt. This time, there is only a small budget for individual travel costs support. For those who need support, please contact us.
