Club Brasov, Romania**

Ulm, 11.4.2020

Dear Soroptimist Sisters in the Danube countries,

because we had to our big regret to cancel our SI Conference in Brasov in April 2020, well prepared by our Brasov sisters, we tried to find a way to be in contact in time of Corona by social media.

We had last Monday an exciting first experience by zoom Videoconferencing, 12 sisters from Romania, Bulgaria, Republic of Moldova and Germany took part. We discussed about the situation in our countries in time of Corona, the big problems and challenges we have to overcome in the health system, educational system, to protect elderly, etc. and how the countries try to resolve them. It was very interesting.

So we decided to meet us once more next **Monday, 13th of April, 18:00 German time (19:00 perhaps yours)** to continue our exchange, to present our actual activities, esp. the planned Danube project and to reflect how we can realize a virtual conference the 24/25th of April .

You are friendly invited to join this session!!!

It would be great if we can be more connected along the Danube (countries) and Europe by this new media and reflect what we can do as SI in times of Corona.

Best greetings to all and best wishes for good health for you and your families,

Carmen
